Sir/Madam,

Sub: Specimen copy of the will and rules and procedure to be  
Sent to the Donor - Reg.

\*\*\*\*\*

I thank you very much for your letter enquiring about the donation of body after death. Your noble gesture to will the mortal remains after death for the advancement of medical sciences is indeed very much appreciated.

Please find enclosed a copy of the will form along with instructions form which may be filled in and returned to this office.

While expressing our grateful thanks to you for the proposed donation, your kind attention may please be drawn to the following

1. The Principal,Osmania Medical College, Hyderabad accepts the donation of body after natural death for teaching purposes through the department of Anatomy.
2. The enclosed will form for donation of body after death must be duly completed by the donor and also must be signed by the next of kins and other members of the family as witness.

I once again, thank you very much for this kind thought.

Yours faithfully

Encl: ( 2 )
